

MPB SERIES TX175 TRANSMITTING FLOWMETER PANEL MOUNTING KIT

GENERAL INFORMATION

The MPB Series TX175 Transmitting Flowmeter can easily be rear of panel mounted.

Panel mounting does not restrict the use of the transmitter and the flowmeter can easily be removed from inside the panel, leaving the bezel and mounting arrangements in place.

The panel mounting kits are supplied complete with stainless steel fixings, components and an attractive polycarbonate bezel with a black surround.
