

MPB SERIES 630 AND 1000 PANEL MOUNTING KITS

GENERAL INFORMATION

The MPB Series 630/1000 Series Flowmeters are supplied in two sizes. Both have rear facing connections and can also be fitted with integral flow control valves.

The 630/1000 Series Flowmeters are suitable for rear of panel mounting.

The panel mounting kit is supplied with stainless steel fixings, components and an attractive polycarbonate bezel with a black surround.
